

# InSiteManifest®

Shipping Solutions For Epicor

InSiteManifest is a standalone or Web Service solution that processes shipping transactions. InSiteManifest is able to communicate to various carriers, calculate freight amounts, and print carrier labels. It also sends tracking numbers and the billable freight amount back to your Epicor application.

## Supported Carriers

Integrated to these carriers to automate rating, routing and labeling.

- FedEx Domestic- USA
- FedEx Canada
- FedEx Transborder Distribution from Canada to USA
- UPS Domestic – USA (daily pickup required)
- UPS – Canada (daily pickup required)
- UPS WorldEase
- DHL – USA
- DAZZle® Postage Metering - USPS
- Custom Carrier/LTL
- LTL - FreightQuote.com
- International Shipments Includes UPS, FedEx, DHL, LTL

## Custom Carrier/LTL

Shipping by truck is made easier with your local or specialized carriers.

- FAK Support
- Rate by NMFC Freight Class
- Rate Break Alternation
- CzarLite Rate Import

## Documentation

The manifest system will generate bills of lading, carrier labels, international paperwork and end of day manifest reports upon request. These manifest reports can be generated by:

- Date
- Carrier
- Type of Service

Qty	Unit	Weight	Volume	Class	NMFC Item	Description
1	CS	4.00	0.00	RD		Clear metal parts and damage

View a Bill of Lading for each truck shipment, and easily process freight forwarding requests.

InSiteManifest integrates with a number of popular carriers.

## International Shipments

Enable users to generate international labels and paperwork.

- Commercial Invoice
- US Certificate of Origin
- NAFTA Certificate of Origin
- Shipper Export Declaration
- Canada Customs Invoice
- Shippers Letter of Instruction
- On-Line AES Filing
- Power of Attorney
- User Definable Forms

## Hazardous Material Management

- UPS, FedEx, LTL Only
- UPS Laser or Pre-Printed Labels
- Bill of Lading Proper CFR 49 Descriptions

## Other Features

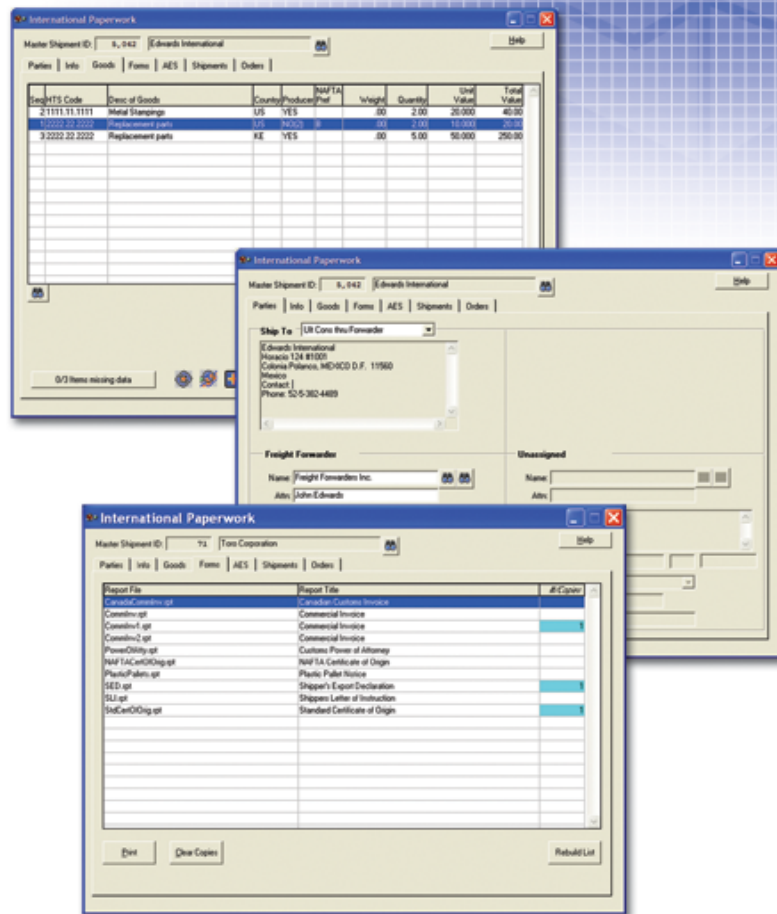

- Rate Shopping
- Best Way Freight
- Fuel Surcharges
- Freight Forwarder Support
- UPS/FedEx Shipment Notification
- Address Validation Capability (requires subscription)
- Licensed by Pack Out Stations
- Miscellaneous Shipments
- Forms Created by Crystal Reports

## Prerequisites

- Zebra (ZPLII) or Eltron (EPL2) Thermal Printer
- Laser Printer
